Art Unit: 2164

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 3-13, 15-24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1: Claim 10 refers to “services produced”, while claim 14 refers to “the service produced”, which is contradictory, since the first reference requires multiple services, while the second allows for only one service. This can be corrected by changing “the service” in line 14, to “one of said services”.

Lines 16 and 18 refer to a version number being “known” or “unknown”, whereas it is unclear what entity knows of or does not know of the version number. This can be corrected by changing “previously unknown” in line 16 to “not within said service definition data” and “known” in line 18 to “within said service definition data”.

Claims 3-12: Depend on claim 1.

Claim 13: Same grounds of rejection as claim 1.

Claims 15-24: Depend on claim 13.

Claims 1, 3-13 and 15-24 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

This office action follows the filing of an RCE request and is made non-final.
